

**Washington State Department of Transportation (WSDOT)
Request for Proposals (RFP) To Provide
Context Sensitive Solutions Training (RFP No. SD-1103-TP-01)**

QUESTIONS AND ANSWERS:

1. **REF: 4.a.v Cost Proposal** (posted 1-13-04)

Q: What costs should be shown on the Course Delivery Cost Sheet (Appendix C)?

A: The cost per session to deliver training (as described in 3.b Proposed Training) in each of the Department's six geographic regions.

Q: With reference to the Cost Delivery Cost Sheet, should the cost of course development be included in the cost per session?

A: No. The cost of developing/tailoring the course and modifying course content following pilot sessions (as described in 3.a Development) should be presented separately. This cost may be itemized in any format that effectively illustrates the proposal.

Answers to questions concerning the RFP will continue be posted on this page. Monitor this page for updates.
